Re: Courtenay Wind Farm  
Siting Application  
PU-13-64

Dear Bonny:

Thank you for your letter received today closing your file on the captioned case.

As we discussed earlier today on the phone, the Commission has received three requests that the Commission consider evidence not submitted at the hearing. Consequently, we ask that the Office of Administrative Hearings keep open (or reopen) the captioned case due to the possibility that the Commission may still require the services of an ALJ in order to conduct further proceedings in this case. We will keep you informed of developments in the case.

Thank you for your assistance in this matter.

Best regards,

  
Illona A. Jeffcoat-Sacco  
General Counsel
